Subject: ORR Dispute Impact/Implications
Attachments: Oak Ridge Federal FacilityImpacts SW_ra.docx

After talking with Doug, I made a few more changes.

It appears that Doug and I read the language in the dispute differently -- it would seem that the parties to the dispute may also have the same difficulty. This difference of opinion as to the meaning of the language could result in delays in the Oak Ridge cleanup or further disputes -- this assumes that the parties are willing to engage in dispute.

We really do need to get this paper out of the office as soon as possible.
